

TEACHING AND PROBLEM SOLVING HEELING, RETRIEVES AND GO OUTS

PRESENTED BY DIANE BAUMAN

FEBRUARY 4 & 5, 2012

OXFORD, CT

A FUNDRAISER FOR GLEN HIGHLAND FARM

Are you losing points on your heeling? Crooked sits, lags and forges? Wide turns or leg bumping? Do you have that "picture perfect" retrieve that the judges look for? Are your go outs beautifully straight without targeting a spot? Do you get crooked or slow go outs in competition? Come and let Diane help you teach these skills or solve your problems.

This seminar will be helpful to you whether you are currently competing with a dog but want to fine tune the performance or if you are just starting a new dog and want to give him a solid understanding of the exercises. This seminar can help you to determine what skills are weak and then help you to strengthen your dogs understanding of heeling, retrieves and go outs.

Diane Bauman is internationally known for her obedience instruction. She has given obedience clinics all over the United States and Canada. Her articles have appeared in Off-Lead magazine and Front and Finish: The Dog Trainers' News. Her obedience demonstrations have been televised in New York and California. Her record includes 16 perfect 200 scores earned on four different dog breeds. She uses a novel, proven method that "teaches" rather than "trains" dogs to be all they can be. **Please visit Diane's website at www.dianebauman.com to learn more about Diane.**

This is fundraiser for Glen Highland Farm. If you would like to learn more about the rescue efforts of Glen Highland Farm, please visit www.glenhighlandfarm.com. We will also be holding a silent auction during the seminar to benefit Glen Highland. For more information, contact ladyabigail@aol.com
